------	-----------	--	---

WiSACWIS Release 3.11 Notes

Document Plans

41 eWiS Only Act 109

There are a number of substantial changes for Act 109. The following is a brief summary of those changes:

Permanency Plan window:

1) Most of the windows have had changes.

Permanency Plan template:

1) There is a new statewide version of the Perm Plan and all other county modified Perm Plans have been removed from the system.

Legal Action/Legal Status window:

1) Reference data has been added for dropdown selection.

Administrative Review tickler

1) This tickler has been renamed 'Permanency Plan Review Tickler'

Permanency Plan Hearing tickler

1) This is a new tickler

Administrative Review date restriction

1) There will no longer be a date restriction for the Administrative Review in the Meetings module.

For a complete list of changes, please see the Release Information Sheets section of the WiSACWIS Knowledge Web:

http://apps.dhfs.state.wi.us/wisacwis/knowledge_web/Helpdesk/quick_ref_guides/quick_reference_guides.htm

WiSACWIS Release 3.11 Notes

Document Plans

45	eWiS Only	CPE ticklers not implemented yet	Logic for Case Progress Evaluation (CPE) tickler has been modified. The Tickler will either be created every 90 days or 180 days depending on the existence of a PS Report and/or an Out of Home Placement.
----	-----------	----------------------------------	---

Document Plans

147	eWiS Only	case plans becoming historical	When creating and approving a Case Plan for a case that has an existing Ongoing Case Plan, the hyperlink for each GDO displays as Edit and the plan displays the correct status from the desktop.
-----	-----------	--------------------------------	---

Document Plans

166	eWiS Only	begin date should pre-fill to current date on SA+P	The service type is now cleared out on the Safety Services tab of the Safety Analysis and Plan page when a service category is cleared out.
-----	-----------	--	---

Document Plans

179	eWiS Only	fatal app error on adoption case plan	The 'Specific Goal' and 'By When' fields can now be modified when inserting a new goal for an Adoption Case Plan.
-----	-----------	---------------------------------------	---

Forms

1967	eWiS Only	Rock County Form Template Repoints	The following templates are being launched for Rock County as requested: 1. Juvenile Justice Face Sheet (CFS-2235-14W) 2. Kinship Care Referral (CFS-2246-18W)
------	-----------	------------------------------------	--

WiSACWIS Release 3.11 Notes

Forms

1971	eWiS Only	Modify Visiting Plan for Rock County	The Visiting Plan (CFS-2087--53W) has been added for Rock County.
------	-----------	--------------------------------------	---

Forms

1972	eWiS Only	Add Relative Assessment template for Rock County	The Relative Assessment (CFS-2291-53W) has been added for Rock County.
------	-----------	--	--

Foster Care/Out of Home Placements

1003	eWiS Only	Rate Setting Window	The Out of Home Placement page was modified to include the Current Basic Rate and the Current Total Monthly Payment. The values will pre-fill once the record is saved.
------	-----------	---------------------	---

Once the placement is closed, 'N/A' will be displayed in the Current Basic Rate and Current Total Monthly Payment fields.

The Administrative Fee was moved to display below the Current Basic Rate.

Foster Care/Out of Home Placements

1049	eWiS Only	Payment Request window- payee name	The payee name is now being displayed on the Payment Request page. Also, once a Payment Request is saved, one cannot change the Provider information anymore.
------	-----------	------------------------------------	---

WiSACWIS Release 3.11 Notes

Foster Care/Out of Home Placements

1447	eWiS Only	CFS-74 removed & should not be created for new AAA	The Adoption Assistance Agreement (CFS-74) template can no longer be created in eWiSACWIS once the AAA page has been saved.
------	-----------	--	---

However, if the template already existed and the AAA was not concluded, then the user is still able to launch that template.

Foster Care/Out of Home Placements

1475	eWiS Only	Text > Go with errors results in little OHP window	Validation for the Primary and Secondary Caretaker fields on the Placement and Services page no longer occurs when opening a text template.
------	-----------	--	---

Foster Care/Out of Home Placements

1630	eWiS Only	Rte Setting points do not copy over.	When there exists a Foster Care Rate Setting for a provider and the child is placed with the same provider again, the Out of Home Placement page is modified to include the Current Basic Rate and the Current Total Monthly Payment. The values will pre-fill once the record is saved.
------	-----------	--------------------------------------	--

Foster Care/Out of Home Placements

1680	eWiS Only	Tickler are not deleted when Placement made in error	Appropriate ticklers are now deleted when a placement is ended as a 'Placement Made In Error' and the Eligibility is voided.
------	-----------	--	--

Foster Care/Out of Home Placements

1695	eWiS Only	Notifications created on c/s not accessible in e.	The Notifications created in client server WiSACWIS are now accessible in eWiSACWIS.
------	-----------	---	--

WiSACWIS Release 3.11 Notes

Foster Care/Out of Home Placements

1767 eWiS Only Rate Setting page miscalculates Rates

The points are now calculated correctly on the Emotional and Behavioral tabs of the Foster Care Rate Setting page when the Minimal and Moderate sections have at least 2 questions answered as 'Yes'.

Foster Care/Out of Home Placements

1810 eWiS Only User can save OHP with Placement Begin Date < Date Removal from Home

If a child's placement is ended (not discharged) and is placed in another home, earlier the system would allow Placement Begin Date to be less than Date Removed from his/her home. The system does not allow this to happen anymore.

Foster Care/Out of Home Placements

1814 eWiS Only Not Approve function closes Placement w/ NO End Date

The End Date is now added to the In Home and OH Placements when they are Not Approved.

Foster Care/Out of Home Placements

2247 eWiS Only Rate Setting screen does NOT copy rates to EPISODE

Upon Completion of Rate Setting, the points are now carried over to Out of Placement Page.

Home Inquiry

1689 eWiS Only Saving a Home Inquiry and creating a provider

Provider is now created and displayed on the desktop if a home inquiry is created, a new person is created as parent 1 and the home inquiry is screened in.

Home Provider

1384 eWiS Only Services tab

The user is now prompted to save the home provider page when accessing the Edit Unlicensed Services page if a change has been made to the total bed capacity and/or preferences.

The user will get the following save notification: This

WiSACWIS Release 3.11 Notes

Foster Care/Out of Home Placements

Home Provider

1725 eWiS Only Can edit Provider Services via Search

action will save the home provider information. Do you want to continue?

The hyperlink to edit services on the Home Provider and License pages is no longer enabled via Search.

Home Provider

1944 eWiS Only Parent Agency History

Open placements will now be ended as of the effective date of the parent agency change. When this occurs, an automated message will go out to all open assignments.

Home Provider

2315 eWiS Only Save button on Home Provider and License pages

The save button will now not be enabled in the Home Provider or License page after returning from the Provider Service Rate page (accessed from the Services tab).

Information & Referral

2053 eWiS Only Add reference values for Trempealeau County.

The following types were added to the Type drop-down list for an Information and Referral:

1. Big Brothers/Big Sisters
2. Family Resource Center

Issue/Reconcile Checks

2108 eWiS Only Payment Insert Trigger

The problems Winnebago experienced in the Pending Checks report which was distributed on 9/15/03 are now resolved.

WiSACWIS Release 3.11 Notes

1647	eWiS Only	Create Case Work	The option 'Other Meeting' has been added to the Administration drop-down list from the Create Case Work page. In addition, the drop-down lists for the Legal and Narrative items have been alphabetized.
------	-----------	------------------	---

Legal Consult

1968	eWiS Only	Rock County Court Template Repoints	The following Legal Documents are being launched for Rock County: 1. Court Report (CFS-2118-23W) 2. Court Report for Extension of Dispositional Order - Child in Parental Home(CFS-2111-23W) 3. Court Report for Termination of Parental Rights (CFS-2117-70)
------	-----------	-------------------------------------	--

Legal Consult

1969	eWiS Only	Modify CFS-2126-45W for Rock County	The Request for Petition of Child in Need of Protection or Services (CFS-2126-53W) has been modified for Rock County.
------	-----------	-------------------------------------	---

Licensing Home Providers

156	eWiS Only	Create license function	When creating a new license for a home provider after closing a previous license, the previously licensed services are no longer copying over to the new license.
-----	-----------	-------------------------	---

Licensing Home Providers

908	eWiS Only	License Type Dropdown	When creating a License in eWiSACWIS, the user will have to select the appropriate license type; either Foster Home or Treatment Foster Home. Previously it was automatically defaulted to Foster Home.
-----	-----------	-----------------------	---

WiSACWIS Release 3.11 Notes

Licensing Home Providers

1592 eWiS Only App error when approving additional licensing action

A license can now be closed and approved via the Additional Licensing Actions pop-up without the system generating any errors.

Licensing Home Providers

1797 eWiS Only No Existing License Type

The License type of 'No Existing License Type' is no longer displayed in the drop-down on the License page.

Licensing Home Providers

1845 eWiS Only Licensing problems with home providers in E.

A worker from the same county as the designated county of the provider can now close a license through the Additional Licensing Actions pop-up.

Licensing Home Providers

1869 eWiS Only MS IE Error - Navigate away from this page

Services and capacities can now be added and saved for Licensed Services while the License is still in a 'Pending' status.

Maintain Case

1024 eWiS Only Case Types

The case type of 'Pre-Adoptive Child' is now only available when a child is being TPRed from a case.

In addition, a case being created by TPRing a child out of another case will now only allow one of two case types to be selected; Guardianship or Pre-Adoptive Child.

Maintain Case

1488 eWiS Only Delink Intakes

When delinking a Services Intake from a case, the intake id is now being displayed on the Service Intake page.

WiSACWIS Release 3.11 Notes
